

SPECIALIZED CARE UNIT DESIGN PROJECT

Presented by Lisa Warhuus, PhD

Director of Health, Housing and Community Services

May 13, 2021

Project Goals: Community outreach and engagement efforts for the development of the SCU seek to better understand:

- Experiences and perceptions of current mental health and substance use related crisis response options
- Challenges and strengths of current crisis response options
- Ideas for an alternative approach to crises
- Needs identified by the community for a safe, effective crisis response

And Ultimately

- Design and implementation plan for the best model for Berkeley
- Implement plan
