## POSTPONED: ONLINE TOWN HALL ABOUT CITY SERVICES

**Berkeley, California (Monday, February 01, 2021)** - An [online town hall meeting](#) scheduled for Thursday Feb. 4 has been postponed, but will be rescheduled to help the City identify more opportunities to improve racial equity in City services.

This effort, which is being led by the City Manager's Office, seeks to ask about what services you see as working well now from a race and equity perspective, what needs to change, what it would look like to you for the City to truly achieve racial equity in service delivery, and how we can best engage our whole community in these discussions going forward.

As we prepare to set a future date, we invite you to share your comments by emailing [equity@cityofberkeley.info](mailto:equity@cityofberkeley.info).
